"Nice to meet you, Rose. Is this your first time going to the party?" Jungkook asks.

"Yes. Ryujin forces us to come. Why?" Rose asks.

"Nothing. Just asking." Jungkook smiles.

Rose found this awkward. She looks between Jungkook and Lisa. He stares at Lisa like he wants to...eat her.

Eat for good or eat for bad I don't know.

Rose clear her throat and hold Taehyun hand.

"So, Taehyun. Let's go!!" Rose dragged him.

"Yah yah!! Noona!! Where are we going!!??" Taehyun asks.

Rose ignored him and just dragged him. Soon they far enough from Lisa and Jungkook, she let go of him.

"What was that for?" Taehyun glares at her.

"I want to give some privacy time to Lisa and Jungkook. You are so slow." Rose rolls her eyes.

"I'm sorry, my lady." Taehyun being sarcastic.

Rose chuckles and pats his head.

"Don't you want to entertain people with the handsome face of yours?" Rose smirks.

Taehyun smirks and pushes his hair back.

"I just about to do it." Taehyun smirks.

"See ya!!" Taehyun walks away.

Rose shakes her head in amused. She used to it already. Taehyun

always has one nightstand.

But he's the good guy. No wonder why the girls that he having one nightstand still love him.

He will ask for permission to do it and if that girl wants, then go on.

Rose sits on the couch and sigh.

How can I still partying while I have a lot of work to do at home?

Rose eats some snacks being prepared at the table.

"Is this coincidence? Or destiny?"

She heard someone talking so she lifted her gaze.

"Jimin!?" Rose's eyes widen.

"Why so shocked?" Jimin chuckles and sits beside her.

"Shock that I never expect to see you here." Rose says.

"Taehyun invites me so why not? I want to release some tense you know." Jimin points out.

"Release some tense? You mean..." Rose narrows her eyes.

Jimin stares at her then he laughs. He pats her head and brings his face closer to her.

"There's a lot of ways to release tense, baby chipmunks. You can choose either a bad way or a good way." Jimin whispered.

Rose pushes his face slightly. "I rather choose a good way."

"That's mean you are a good girl." He pats her head.

Rose chuckles. She looks at Lisa whose talking with Jungkook.

She knows Lisa's money wouldn't enough to pay their apartment.

"How about you?" Jimin asks.

"Huh? Me? Well, um..." Rose looks down.

"Release some tense also?" Jimin asks.

"Kind of like that. It hard if we live in an independent life." Rose says.

"Sometimes, you don't want to rely on your friend only. You want to help her also but...you just realized that you have nothing to do to help her."

Rose let out a heavy sigh. Jimin staring at her.

"I can't wait to being scouted to be a singer. Or a songwriter." Rose chuckle.

"Are you free this weekend?" Jimin asks out of blue.

"Not sure. Why?" Rose asks.

"I want to bring you somewhere." Jimin answer.

"Where?" Rose asks.

"You ask too much. Yes or No?" Jimin groans.

"I don't know. Can I trust you." Rose narrows her eyes

Jimin smirk. "If you don't trust me then why you confessed just now?"

Well, he's right though.

"Fine." Rose sigh.

"Great. Number?" Jimin shows his phone.

"Should I?" Rose frowns.

Jimin becomes piss. He leans closer to her ears.

"Yes. Stop asking too much question before I make you scream in pain and blood coming out from your body." Jimin whispered.

Rose's breath hitched. By that, Jimin takes her phone from her hand and puts her number in him.

She can't say anything.

Did he just...say that?

Somehow, it makes her terrified of him but at the same time, it kind of...seductive.

"Done. Don't delete it." Jimin gives her the phone.

"Y-Yes..." Rose clear her throat.

"Come on, Lisa!!!" Rose shakes her.

"Mmmm!!! I'm sleepy!!!" Lisa pulls his arms back.

Rose groans in frustration. She messes her hair and stomps her feet.

Rose glares at him.

"If that so then...we're in." Jungkook smiles.

"Ryu, can you take care of Lisa for a while?" Rose asks.

"Sure." Ryujin nods.

Rose grabs Taehyun wrist and drafts him away.

Little bit she knows, Jimin looking at her. He knows he jealous of watching Rose with Taehyun.

She doesn't know Jimin starts to grow feeling with her. But, Jimin knows also that he doesn't have the right to control her.

"Why did you invite them!?" Rose asks.

"So, it true." Taehyun smirks.

"What true?" Rose frowns.
